United States Senate

WASHINGTON, D.C. 20510

June 24, 1981

President Ronald Reagan
The White House
Washington, D.C. 20500

Dear Mr. President:

We are writing today to express our deep concern over the Administration's intent to sell the F-15 enhancement and AWACS package to Saudi Arabia. It is our strong belief that this sale is not in the best interest of the United States, and therefore recommend that you refrain from sending this proposal to the Congress.

Cordially,

Bob Packwood
